| <b>THE CRICKET SQUARE</b> | CONDITION OF SQUARE  |   |      |   |      | ACTION REQUIRED       |      |   |     |   |        |
|                           | I'm pleased to say the square was in better condition than I've ever seen it. There was no weed or moss and with the exception shown in the notes, grass growth was excellent. Pre season work had all been done |   |      |   |      | Keep up the good work |      |   |     |   |        |

| <b>THE OUTFIELD</b> | CONDITION OF OUTFIELD   |   |      |   |      | ACTION REQUIRED |      |   |     |   |        |
|                     | As with the square, I've never seen the outfield looking as well. The grass growth was good, weed free and there was no rabbit incursions as has plagued the club for years |   |      |   |      | As above        |      |   |     |   |        |

| <b>NOTES</b> | Dishforth CC and the Parish Council have invested considerable amounts of time and money to the ground and amenities. A new sit-on roller has been bought, together with a new sightscreen and the work on the ground is obvious as soon as you set foot on it. Unfortunately, some of the work on the square has been undone by kids playing golf. This has caused bare patches over two tracks but the damage has been repaired and seeded and if they stay off those pitches in the early part of the season all should be OK. I just hope Chris Costello does not find out who the miscreants are !! Overall I think Dishforth deserve support and encouragement to continue this improvement. |
